- Magnesium anode to protect the tank and heating element
- Incoloy heating element: Glass lined enamel coated for longer life
- Glass-lined tank: Rust free performance for years, even with hard water
- POLYURETHANE INSULATION - CFC FREE

Megha, was planning to replace her old geyser with a new and smart one. She decided to take her friend Chitra's opinion on it, as she had installed a new geyser, a few months back.

"Anytime you invest in a new water heater for your home, reliability becomes a top priority. You want to make sure that your family is comfortable throughout the winter and the best way to do that is start the day with a warm bath," said Chitra.

"For me, geysers are not for luxury. They are a necessity for the bathrooms in my house and even for my kitchen," added Chitra.

She further explained that choosing the right water heater and the size is quite a task. Capacity, design and durability — there are many factors that need to be kept in mind while buying a geyser!

"So which one did you buy?" asked Megha, to which

Chitra said, "After considering all the factors, I went for Glen water heaters. They are designed to add grace to your bathroom. Made of high-quality materials, these heaters let you enjoy a relaxing bath with desired water temperature. They come with smart features like remote control, digital display of the set temperature, high quality thermostats to control the temperature accurately, high pressure withstanding capacity and a 5 star rating."

Here are some of the specific features that make Glen water heaters your choice this winter:

Glass-lined tank: These days, hard water is a common problem that easily rusts bathroom fixtures and fittings. Glen water heaters have glass-

lined tank. These prevent rusting and makes the product withstand hard water. It ensures high durability and comes with a seven-year warranty.

Incoloy heating element: The element used is of high quality and is also glass lined, which takes care of the hard water. It also helps in faster heating and longer life and comes with a three-year warranty.

Magnesium anode: Glen water heaters are provided with heavy duty magnesium anode rod with a steel core that protects the inner tank from corrosive elements and enhances the life of product.

Eight bar pressure: Perfect for those who live in apartments, Glen water heaters come with an eight bar pressure rating that is suitable for high rises.

Hassle-free operation: The digital water heater comes with a handy remote control to set the temperature, while the mechanical ones come with jog wheel control to set the temperature.

CFC free PUF insulation: If you are looking for an energy efficient water heater, then Glen is your answer. The Glen water heaters come with PUF insulation that ensures retention of internal heat, resulting in better efficiency and reduced electricity bill.

Five star BEE rating: Glen offers high-quality products and is certified as five star BEE rating as per 2019. No need to worry about power consumption.

Design: Available in square and vertical shapes with the capacity of 6, 10, 15 and 25 litres, Glen geysers are sure to attract attention and provide hassle-free operation for years to come.

Stylists suggests ways to style these cool accessories

Manish Mishra

Attention all bag junkies, this season one's clearly spoilt for choice when it comes to nifty tote options — which take you from a work meeting to drinks at the bar in a jiffy. Be it Chanel's classic quilted bag or Capucines from Louis Vuitton or the H&M tote — each piece reflects a distinctive mood and radiates a vibe. We got stylists Anisha Jain and Maneka Harsinghani to recommend cool styling tips to amp up these beauties.

A CLASSIC VIBE

Styling options for this perky Chanel beauty (below) are limitless, but go for a monotone ensemble for maximum visual impact. Wearing it with contrasting separates, especially with a pop of pink, would keep you on top of your trend game.

REVEAL YOUR INNER POWER MOVER

The Dior tote spells power. Co-ordinate a chic work separate like a neutral blazer or an executive shirt and let your bag be the centre of attention.

UNLEASH YOUR BOLD STREAK

Rock the season's all-pervading animal print trend with this H&M tote. The look will give you the much-needed punch for your coffee date or your day out with your girl pals.

EMIT YOUR INNER SOIGNEE

This Louis Vuitton protean piece is suited to someone with a rather sophisticated

taste. It complements both formal and semi-formal looks as splendidly as it suits the everyday ensemble. Pair it with either a pantsuit or a midi-length day dress.

'IT' TRAVEL ESSENTIAL

There are no limits to styling this Gucci Rajah tote (right). It can be incorporated into any work ensemble under the sun as well as morphed as a weekend travel accessory.

RADIATE A CASUAL VIBE

The Bally bag is a great choice for an everyday casual look. The neutral colour works well in the day and can be styled for a date night too! A succour extension for a busy day at work.
