CT 1048 SQ GT AI FB TR FFD  
Forged Brass Triple Ring Burner

INDIA'S NO.1 COOKTOP

## Now with Flame Failure Device !

Glen brings you an elegant range of Cooktops with Flame Failure Device. If the burner flame doesn't ignite, or extinguishes, the gas is switched off immediately. **Now cook in complete safety.**

In addition the strength of Forged Brass Burners designed to last really long; multi-spark auto ignition, enamelled pan supports, and Italian gas valves for complete safety & freedom from sim-off.

A unique safety mechanism, cuts off the gas supply within 20 seconds of the flame getting accidentally extinguished due to any liquid boiling over or sim off. Now no more chances of accidents or fire.
